For Immediate Release

CAPITAL SUPPORT FOR IT SUPPORT COMPANY OF THE YEAR

For the second year running, IT Solutions Provider Capital Support is announced in the Microscope Aces Awards shortlist for 'IT Support Provider of the Year 2010'. This is one of many independent industry accolades for the IT support company who were recently announced in the Top 100 MSPs worldwide by Nine Lives Media.

Director at Capital Support, Nigel Brooks said:

"Yet again we are delighted to receive this industry recognition of our superior solution. Whilst we feel that our proactive approach delivers results for our clients, that isn't validated without satisfied customers and impartial verification of our forward thinking standards from industry bodies, such as Microscope"

The Microscope Aces Awards are designed to recognise IT Support companies with the knowledge, ability and expertise to deliver superior solutions and consistent customer service.

Capital Support is just one of eight companies from across the UK to make the shortlist. The winner of the award will be announced on 26th May at the prestigious Hurlingham Club in Lancaster, London following an online public vote for the award.
