

## FINANCIAL SERVICES TEE OFF TO HELP RAISE MONEY FOR MACMILLAN CANCER SUPPORT

On Friday 17<sup>th</sup> June a variety of professionals from the Financial Services Industry attended Capital Support's Charity Golf Day. Despite the wet weather all the golfers who participated made a sterling effort on the challenging course at West Essex Golf Club.

Seven teams of four competed against each other and an interesting twist was added on the fifth hole with a surprise competition held by a pro golfer. Each player made a donation to MacMillan Cancer Support to have a shot at beating the pro, with only two out of the twenty eight succeeding.

At the dinner and awards ceremony the Best Individual prize was given to Gary Bradshaw from Arunvill Capital for his outstanding score whilst the Best Team award went to Team One, which was headed up by Capital Support's David Wallace.

Nigel Brooks, Director at Capital Support commented;

*"The day was a great success for Capital Support, this is the first time we have hosted a charity event like this. Going forward we endeavour to hold more charity sporting events as they are a valuable opportunity for us to give something back to the community whilst strengthening relationships with our clients and vendors."*

Pramal Patel, Partner and COO at New Amsterdam Capital commented:

*"It was a privilege to be invited to attend Capital Support's first charity event. The event provided a great networking opportunity to meet people in the Financial Services industry and at the same time raising money for Charity. I'm sure Capital Support will build on the success of their first event."*
