

PRESS RELEASE – 08/02/10

For Immediate Release

PREMIER IT PARTNERSHIP FOR INDEX VENTURES

Leading IT Solutions Provider, Capital Support is delighted to announce an IT Support partnership with Index Ventures LLP, one of Europe's foremost information technology and life sciences Venture Capital firms.

Capital Support is one of very few IT Support Providers recommended to work with the financial services industry in the Microsoft Finance on Windows guide.

Servicing a substantial client base made up of Hedge Funds, Private Equity and Retail Banking organisations, Capital Support are ideally positioned to ensure the supporting infrastructure and technology behind the day to day operations at Index Ventures continues to enable the firm to remain fast paced, productive and profitable.

Nigel Brooks, Director at Capital Support said *"Index Ventures are a very welcome addition to our client base. In an environment where technology failure can cost millions, working with an IT Support provider who understands your needs is essential and we pride ourselves on delivering technology solutions that proactively support the real time demands of the financial services industry."*
